

A PRELIMINARY REPORT ON
SALARIES AND BUDGETS IN
EDUCATIONAL RADIO STATIONS

PREPARED FOR N.A.E.B.

BY
BURTON PAULU

October--1949

INTRODUCTION

In the preparation of this report, questionnaires were sent to 45 NAEB members. To date replies have been received for only 23 stations, so that it does not appear desirable to attempt a final report at this time. However, the information received from 16 stations of somewhat similar budget and salary status has been collated, and is summarized on the following pages. The stations so represented are as follows: WOSU, WLSU, WNAD, WKAR, KWSC, KOAC, WBAA, ~~WUOM~~, WSUI, WEEZ, WDTR, WILL, WOL, WNYC, KUOM, and WEGO.

Returns were also received from the following: WCAT, WBKY, KNUW, KFJM, WORE, KWLC, and WSOU. For the most part, however, these stations operate fewer hours and have smaller staffs and budgets than those in the first category above. It is my belief that, until more stations of lower and medium budget range are heard from, a complete study cannot be made. However, I shall continue to press NAEB members to reply to the questionnaire, and will report by mail to the entire NAEB membership as soon as sufficient information is available.
